To all the NTVGA members. Please pass this on.

As is generally known, Deloraine had some serious problems with our greens after the September coring.

Thankfully, we are slowly but surely getting over these issues.

Despite this, our two NTVGA tournaments proceeded and were both successful.

A large part of this success was due to support from most clubs in the NTVGA and naturally, the players who competed.

For this support, the Deloraine Golf Club in general and the Veterans Group in particular, would like to offer our sincere thanks.

We're looking forward to the 4BBB and Championships in November '24 & our Tournament in February '25.

Cheers, and good hitting,

Grant Lee,

Captain

Deloraine Golf Club Veterans' Group.
